

Please join us on Saturday, November 7th at 8am for the next New Men in Christ ministry meeting.

Fellowship, prayer and worship music abound.
And as always, breakfast is provided.

Davis Beatson is our guest speaker this month and he will be telling his story of being the first heart transplant patient at URMC in 2000.

Check out this link.

This month's 'abbreviated' meeting is scheduled to end at 9:15am so that the volunteer effort on LC2 can commence. We strongly encourage you to spend a couple hours (or longer) volunteering your services to help with all of the work still to be completed on LC2. Please try and commit some of your time to helping out.

Don't let Saturday morning laziness keep you home.
See you then... *And please bring a friend (or two) along!*

NMIC Men's Ministry

www.newmeninchrist.org

Glorifying God by following His commands in Discipling, Developing, and Deploying men into service of family, church, and community.

Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new.
2 Corinthians 5:17
